Library Programs in January

Story Time - January 25, 2018 / 6:30 - 7:30pm

Join us for a cozy winter themed story night at the library. We will have volunteers to read to the kids and free cocoa and cookies for everyone to enjoy!

Movie Night At The Library - January 26, 2018 / 7:00pm

This month we are featuring the movie *Stronger*. Based on the true life story of Jeff Bauman, an ordinary man who captured the hearts of his city and the world to become a symbol of hope after surviving the 2013 Boston Marathon bombing. We can't wait to see this movie and we hope you will join us! Admission is \$2.00 with free popcorn. Please bring a chair. Its going to be a good one!

Family Literacy Day and the Read for 15 Challenge

January 27, 2018 is Family Literacy Day and this year in conjunction with that day the Falher library would also like to take part in the Read for 15 Challenge on January 27 & 28. We are inviting community members to report 15 minutes of reading (on just one day, not both) and enter the challenge to be the most readerly community in Alberta. Scoring is prorated to the community population to make it fair.

This challenge is going into its 3rd year and we think it would be a lot of fun! Please join us in this challenge. Feel free to report your reading via facebook messenger, email, or phone! I think we can win this!

Don't forget to check Facebook for more updates!

Tell Us What You'd Like Offered at the Library on Thursday Nights

Please take a few minutes to complete the survey (attached to the email) and return it to the Library, letting us know what programs you'd like to see offered Thursday Nights (we are open from 5:00 - 8:00 p.m., every Thursday).

Exam Invigilation Update

We are proud to support community members in their pursuit of higher learning, but due to the many demands for library services in our small space, we need to limit the exam proctoring services we offer.

Effective January 8, 2018, exam proctoring will only be offered between 8:45 am and 11:45 am on Wednesdays - Fridays, subject to staff availability, and there will be a fee charged for this service for adults.

Please check the Services tab on our library website for more information, including other invigilation options available in our region, and good luck with your studies!

Message From The Friends

The Friends of the Falher library annual Christmas cash calendar fundraiser was a success selling all three hundred calendars. This fundraiser provides the library the ability to host special programming, to purchase necessities, and various amenities.

This year we are excited to announce that our \$1000.00 winner was Lucie Dufresne and our \$500.00 winner was Charlene Bryne.

The Friends of the Falher library appreciated the support from the community, family, and friends for calendar purchases.

How you helped us make a difference:

By joining our Library and sharing with others what the Library has to offer!

By donating gently used books to the Library.

By donating your valuable time as a Library or Friends volunteer.

By sharing stories of how the Library made a difference to you with us.

Through your support for provincial and municipal funding for both us and the Peace Library System (PLS) that we rely on to provide public library services.

By partnering with the Library, through your corporation or non-profit organization to help us meet community needs.

By supporting the Friends' annual fundraisers:

- > Easter Bake Sale
 - As a baker or buyer!
- > Book Sales & the
- > Christmas Cash Calendar

By donating funds to support our operations.

- > Donations of >\$20 receive tax receipts.
- > Donations of <\$20 made directly to the Library are used to support Library programs.

The Friends' Coffee Corner Recognition Wall will be updated in early 2018 to include 2017 donations.
