Friday	12:00 pm – 5:00pm

*Crc open Tuesday – Friday 8:30am – 4:30pm

Crc is closed from 12-1 for lunch

Techy Tidbit: The TRAC app is gone. What now?

Since the TRAC app has been discontinued patrons have been wondering how to access trac from their mobile devices. I thought I would take a moment to explain what you can do to make it easy to access.

1. TRAC is a website. To access it from your mobile internet browser (safari, chrome etc) enter the web address www.tracpac.ab.ca.

2. In the top right corner of the screen, below the address bar, it will say Log In. If you tap that, you will be redirected to the log in page.

3. It's at this point that I add the page to my homescreen. Depending on what app you are using there are different ways to do this. I will focus on the two most popular, Safari and Chrome.

Safari - In the address bar there is this icon: When you press it a menu will open and you will choose Add To Home Screen which looks like this:

Chrome - In adress bar you will see three dots in the top right corner looks like this: Tap that and then choose Add To Home screen.

4. Now that you have added this page to your homescreen you can access easily any time you need too just like the app.

5. From there you can log in and you will find that the functionality of the web page is the same as the app.

More Summer Fun...

- With Patty Turnquist From Falher ATB

- For art day the kids each got to design their own puzzle piece and add it to the display.

- Music Day, check Facebook for a fun video of the kids playing their instruments!
