COVID-19 Board and Library Manager Update – September 8, 2020

WELCOME BACK!

We will reopen to the public on September 15th, on a limited basis.
Our priority for this first stage is seniors and people looking for work.

The Library will be open Tuesday mornings from 9:00 am – 12:00 pm.

- Curbside pickup services continue (Tuesday and Friday afternoons 1:00 - 4:00).
- Late fees and fines will be waived during this stage.
- Existing local library cards that were upgraded to TRAC access during our closure will revert back to local only access October 15th.

The Falher Library Career Employment Resource Centre (CERC) will be open Tuesday mornings from 9:00 am – 12:00; and Friday mornings, for scheduled appointments only.

Future reopening stages will build on the success of this first baby step.

Thank you in advance for your support for, and compliance with new safety precautions.

Our ability to provide public access depends on it, so please plan accordingly.

- If you are sick, or have been exposed to COVID-19, do not come to the Library. Contact staff at 780-837-2776 or 780-837-8009 (CERC) for alternatives.
- Only the front door will be open. Everyone entering the main building must use hand sanitizer and wear a mask (we will provide). 6' social distancing applies.
- A maximum of 4 people will be allowed in the library at a time.
- Your name, date and time of entry, and phone number will be recorded, in case COVID-19 contact tracing is required.
- Only two public computers will be available (for adult use only, max. 30 min.)
- Staff will be working behind plexiglass sneeze barriers, and will put on masks when leaving their desks to assist patrons or CERC clients.
- There will be no public access to the Coffee Corner, phone, or the washroom.
