# **A Note of Thanks from the Board and Staff of The Falher Library / Bibliothèque Dentinger & CERC**

We at the Falher Library / Bibliothèque Dentinger and CERC would like to sincerely thank our patrons for your continued support and patience through this trying and difficult year. With circumstances continually changing, we have had to make adjustments to keep everyone safe. By your willingness and effort, you have made the transitions smooth and we thank you for that.

Looking back on the year, we are very thankful to continuing to receive Provincial and Municipal support allowing our staff to work from home and offer virtual services from March to September. These services included, regular customer support for online e-resources, a virtual Summer Reading Program and in the later half, curbside pick up for patrons who wanted less contact. We were also able to provide enhanced Wi-Fi during the closure that patrons could access from outside our building

The Falher Career Employment Resource Centre also made the transition to more virtual services which included, an online job board, as well as help through email and over the phone. The CERC in Falher was the first centre in our area to reopen to the public during the pandemic to help clients with Provincial and Federal supports.

In the early months of the year, and since September, we have been able to offer a few programs. From January to March, we had Teen Game Nights in which we partnered with Telus and FCSS to offer teens a safe place to hang out and have fun. The library continued its partnership with the Villa Beausejour to visits weekly (when able) and provide book loans as well as e-resource assistance. Since September both programs have restarted (when able). We are also excited to offer a Virtual Paint Night on December 22, 2020 sponsored by the Friends of the Falher Library which has already been completely filled!

This year has been a learning curve for us all and we know that without the support from our patrons and our community we would not have been able to make it so successful. Thank you all for your continued patronage and we wish you a very Happy Holidays and a Great New Year.
