One benefit of
summer was
that each
day we had
more light to
read by.

Special Thanks

On behalf of the Falher Library / Bibliothèque Dentinger we would like to thank Paul Hebert for taking the time to visit our library. We would also like to thank everyone that attended. Over 40 patrons were here for his reading and so many more purchased copies of his book. Thank you so much for the support!

If you would like to purchase a copy of The Sun Above The Clouds, we have several copies available at the library for \$20.00 each.
